Client Information, Disclosure and Consent

Please read this document before your first session. It describes my services, your rights, and the limits of confidentiality. Ask me about anything that is unclear. You will initial and sign on the final page.

1. PROFESSIONAL DISCLOSURE

I hold an M.S. in Counseling and Human Development from Texas Woman's University and am licensed by the Texas Behavioral Health Executive Council (BHEC) as a Licensed Professional Counselor Associate. As an Associate, I practice under the clinical supervision of **Don Zablosky, LPC-S, LMFT-S, NCC**. I review cases with my supervisor on a regular basis. He may access your records and is bound by the same confidentiality requirements. You may contact him directly at don@donzablosky.com.

2. SERVICES

I provide individual counseling for adults (18+), in English or Arabic, by telehealth for clients physically located in Texas, and in outdoor settings in the Dallas–Fort Worth area. My approach integrates cognitive behavioral, person-centered, humanistic and solution-focused methods. Counseling can be beneficial, but it may also involve discussing uncomfortable experiences, and specific results cannot be guaranteed. You may ask about my methods, request a referral, or end services at any time.

3. FEES, PAYMENT AND CANCELLATION

Item	Policy
Session fee	$100 per session (approximately 50 minutes). Reduced fees may be available based on household income under a written sliding scale.
Insurance	Self-pay only. I do not bill insurance or provide superbills.
Payment	Due at each session by credit, debit, HSA or FSA card through the secure client portal.
Cancellation	24 hours' notice is required. Late cancellations (less than 24 hours' notice) and missed appointments are charged a $20 fee, except in emergencies.

4. PROFESSIONAL RELATIONSHIP AND CONTACT

- Our relationship is strictly professional. I do not engage in social, business or personal relationships with clients, including social media connections.
- If we see each other in public, I will not acknowledge you first, to protect your privacy.
- Phone and email are for scheduling only. Responses are made within 1–2 business days. Text and standard email are not fully secure; please do not send clinical information by these methods.

5. EMERGENCIES

I do not provide crisis or after-hours services. In an emergency, call or text **988** (Suicide & Crisis Lifeline), call **911**, or go to the nearest emergency room.

6. LIMITS OF CONFIDENTIALITY

Information you share is confidential and will not be released without your written authorization, except where Texas or federal law requires or permits disclosure, including:

1. Probability of imminent physical injury to yourself or others.
2. Suspected abuse or neglect of a child, an elderly person, or a person with a disability.
3. Report of sexual exploitation by a previous mental health provider (your identity is not disclosed without your written consent).
4. A court order or other legal requirement.
5. Clinical supervision and consultation with my supervisor.
6. Collection of an unpaid balance (limited to the minimum information necessary), or a licensing board investigation.

Where possible, I will discuss any disclosure with you in advance.

7. RECORDS

I maintain secure electronic records, retained for at least seven years after the last date of service. You may request a copy of your record, subject to limits under Texas law.

8. USE OF TECHNOLOGY AND ARTIFICIAL INTELLIGENCE

I use HIPAA-compliant platforms for scheduling, payment, records and video sessions. I may use artificial intelligence (AI) tools for administrative support and general professional reference. I do not enter your name or other identifying information into any AI tool that is not covered by a business associate agreement, and I do not record or transcribe sessions without your separate written consent. All clinical judgments and decisions regarding your care are made by me, under my supervisor's oversight, and not by AI.

9. TELEHEALTH

Risks. Video sessions may be affected by connection problems, reduced ability to observe nonverbal cues, and security limits of electronic communication. I cannot control your physical environment or who may overhear you.

Requirements. You must be physically located in Texas during each session; I will confirm your location at the start of each session. Please use a private space, do not drive during sessions, and do not record sessions. If we are disconnected, I will attempt to reconnect for five minutes and then call the number on file.

10. OUTDOOR SESSIONS (IF SELECTED)

Outdoor sessions take place in public parks or trails. I cannot control a public environment. Other people may pass by, overhear parts of our conversation, or recognize you, including neighbors or acquaintances, and may infer that you are receiving counseling. Please consider this when deciding what to discuss. We may pause, relocate, or move to telehealth at any time. Sessions may be moved to telehealth without charge for severe weather, extreme heat, or poor air quality. You are responsible for your own transportation and physical safety on the route; please inform me of any relevant health or mobility needs.

11. EMERGENCY INFORMATION

Usual location during sessions	
Phone number	
Emergency contact (name, relationship, phone)	
Nearest emergency room	
Outdoor sessions: preferred plan if we encounter someone you know	

12. GOOD FAITH ESTIMATE

You have the right to receive a Good Faith Estimate explaining how much your care will cost. Under federal law, health care providers must give clients who do not have insurance or who are not using insurance an estimate of the expected charges for services. You may ask for a Good Faith Estimate before you schedule a service, and I will update it if your services or fees change.

Client name / date of birth	
Provider	Sarah Ateia Khattab, LPC Associate #104391 · NPI 1336045236 · Tax ID: _____ · Attya LLC
Service location	Telehealth (client located in Texas) and/or outdoor sessions, Dallas–Fort Worth, TX
Primary service	Outpatient individual counseling, weekly, beginning on: _____
Diagnosis code(s), if known	
Date estimate issued	

Service	CPT code	Fee per session	Est. sessions	Est. total
Initial diagnostic assessment	90791	$100	1	$100
Individual psychotherapy, 45 minutes (38–52 min)	90834	$100	7	$700
Total estimated cost, first 8 weeks				**$800**

This estimate assumes weekly sessions for 8 weeks. If we continue beyond that, I will give you an updated Good Faith Estimate. You pay only for sessions you attend. If an approved sliding-scale fee applies to you, that fee is entered above in place of $100. Late cancellation and missed-session fees (Section 3) are not included. There may be additional services I recommend as part of your care that would be scheduled separately and are not reflected here.

Disclaimer. This Good Faith Estimate shows the costs of items and services that are reasonably expected for your counseling. The estimate is based on information known at the time it was created. It does not include unknown or unexpected costs that may arise during treatment. You could be charged more if complications or special circumstances occur.

If you are billed for more than this Good Faith Estimate, you have the right to dispute the bill. You may contact me to let me know the billed charges are higher than this estimate. You can ask me to update the bill to match the estimate, ask to negotiate the bill, or ask if there is financial assistance available. You may also start a dispute resolution process with the U.S. Department of Health and Human Services (HHS). If you choose to use the dispute resolution process, you must start the dispute process within 120 calendar days (about 4 months) of the date on the original bill. There is a $25 fee to use the dispute process. If the agency reviewing your dispute agrees with you, you will have to pay the price on this Good Faith Estimate. If the agency disagrees with you and agrees with me, you will have to pay the higher amount. This applies if the billed amount is at least $400 more than this estimate.

The initiation of the dispute resolution process will not affect the quality of the care you receive. For questions or more information about your right to a Good Faith Estimate or the dispute process, visit www.cms.gov/nosurprises or call 1-800-985-3059.

This Good Faith Estimate is not a contract and does not require you to obtain the services listed. Keep a copy of this Good Faith Estimate in a safe place or take pictures of it. You may need it if you are billed a higher amount.

13. PRIVACY RIGHTS

You have the right to inspect and obtain a copy of your record, request corrections, request confidential communications, request limits on disclosures, receive an accounting of certain disclosures, be notified of a breach affecting your information, and receive a copy of my full Notice of Privacy Practices on request. Uses beyond treatment, payment and operations require your written authorization.

14. COMPLAINTS

If you have a concern, please contact me or my supervisor, Don Zablosky (don@donzablosky.com). You also have the right to file a complaint with the **Texas Behavioral Health Executive Council**, 1801 Congress Ave., Ste. 7.300, Austin, TX 78701; (800) 821-3205; www.bhec.texas.gov. Privacy complaints may also be filed with the U.S. Department of Health and Human Services, Office for Civil Rights (www.hhs.gov/ocr). You will not be retaliated against for filing a complaint.
